一、效果展示

首页 Index

如果还未登录,点击写日记和查看日记和统计都回跳转到上未登录的页面

可以在 index 页进入登录，或者在跳转出来的上个页面进入登录页面

The image shows a mobile app login screen. At the top is a dark header bar with the text '我的日记' (My Diary) and two icons: a three-dot menu and a circular home icon. Below the header are two input fields: '用户名' (Username) and '密码' (Password). Under the password field is a '登录' (Login) button. Below the login button is a '返回首页' (Return to Home) button. At the bottom of the form is a link that says '没有账户? 注册' (No account? Register).

如果没有账户点击注册会进入注册页面

The image shows a mobile app registration screen. At the top is a dark header bar with a back arrow icon, the text '我的日记' (My Diary), and two icons: a three-dot menu and a circular home icon. Below the header are three input fields: '用户名' (Username), '密码' (Password), and '确认密码' (Confirm Password). Below the password fields is a '注册' (Register) button.
